

Bacon Cheddar Dip

Today, Chef D, shows you how to make a delicious Bacon and Cheddar dip that will leave all of your friends craving more. The recipe is really easy to follow and really showcases the deep flavour that only a great cut of Bacon can provide.

Ingredients for Bacon Cheddar Dip:

- 1 pack of [Nutrafarms Bacon](#)
- 1 cup Mascarpone Cheese
- 1 cup Old Shape Cheese
- 1/2 cup of Sour Cream
- 1 small onion, finely chopped
- 1 clove of garlic, finely chopped

Instructions for Bacon Cheddar Dip:

1. In a non-stick pan over med high heat, sauté bacon onions, until [onions](#) are translucent, about 5 minutes.
2. Reduce heat to medium heat and add in mascarpone cheese and old Sharpe cheese and continue to melt.
3. Once the cheese is completely melted, stir in sour cream and stir until completely smooth.
4. Serve with your favourite corn chip or raw vegetables or

Apple Chips.

Chefs Tip: Old Sharpe has 35% cream in it so melts really nicely. If you can't find it you can use old cheese in a pinch.
