

# **Barrie, Ontario Natural Meat – Benefits of Pastured Pork**

Raising pigs on pasture is not only more humane and natural for the animals, it is also environmentally sound and produces meat that is more nutritious and, many people discover, more flavourful as well.

Nutrafarms Inc. is Ontario's leader in providing locally grown, natural, hormone and antibiotic free Ontario beef, poultry, pork, and fish. Contact us now at 800.481.2001 for your all natural meat. [Try our products!](#)
