

Fried Bacon Potatoes

Mmm... Bacon!

If you're searching for an outstanding side dish to enhance your meal, look no further than ChefD's Fried Bacon Potatoes! This dish combines the hearty flavours of fingerling potatoes, garlic, onions, and Nutrafoods cage-free pork bacon to create a mouthwatering taste that pairs well with just about anything.

ChefD's Fried Bacon Potatoes make the perfect side dish for breakfast, lunch, and dinner. Whether you're looking to complement your morning eggs or serve it alongside a hearty dinner, this mouthwatering recipe is your family's new favourite.

Ingredients

- 1 Pound chopped Nutrafoods bacon
- 1/2 cup diced onions
- fingerling potatoes
- olive oil
- Diced garlic

Directions

- 1. Add chopped bacon, onion, and garlic to a hot pan
- 2. Sauté bacon, onion, and garlic until the onions are translucent and then add diced potatoes
- 3. Cook until golden brown
- 4. Eat it by itself, or serve it alongside almost any main!

This simple recipe is hard to get wrong and is easy to supercharge, just by having the best ingredients. Try the

delicious combination of Nutrafarm's cage free bacon and tender potatoes today! And as ChefD himself says, what isn't better with bacon?

Enjoy!
