Sweet Potato Soup

The name says it all. Comfort at its finest!

Ingredients for Sweet Potato Soup:

- 2 cups dice sweet potatoes.
- 2 cups diced carrots.
- 1 cup diced celery root.
- 1 cup sliced <u>roasted red peppers</u>.
- 3 cloves garlic
- 3 bay leaves
- ¹/₂ tsp nutmeg
- 7 cups chicken stock
- $\frac{1}{2}$ cup low fat Cream cheese
- Season with salt and pepper

Ingredients for Sweet Potato Soup:

(Note I use a pressure cooker, if using a stock pot add 1 more hour for cooking)

- Add all ingredients except cheese and salt and pepper to a pressure cooker. Seal the lid and place over med/high heat, bring up to heat or when the safety valve clicks up and then reduce heat to low and continue to cook for 25 minutes.
- 2. Remove from heat and let cool for 5 minutes to release steam, then remove lid when safety valve has gone down.
- 3. Purée soup and add <u>Cream Cheese</u> and season with salt and pepper.
